Centro tables

Design by Studio Webb.

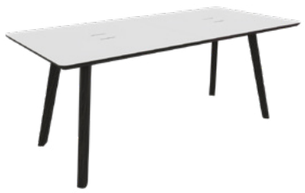

The Centro table range is a collection of statement workplace tables for meeting, collaborating and socialising. Centro has been designed to be the heart of a space and a centre of activity. The solid oak frame and steel support structure coupled with a hard-wearing laminate top creates a valuable addition to any workspace. Each table can be enriched with power units and cable management through one leg to support a multitude of uses. These diner or poseur height tables are available in five sizes.
