

Hygge

Product Brochure

Hygge

Designed by David Fox Design

The Hygge range fuses Scandinavian sentiment with contemporary design. Pronounced 'hoo-gah', this Danish word describes 'a quality of cosiness and a feeling of contentment'. The gently contoured style hugs the user and generates an intimate and cosy feel whilst the wooden outer shell creates a strong distinctive look. Available as both high-back and low-back editions with either a solid oak 4-leg, broomstick or rocking base.

Hygge

Statement chairs
