## Design by David Fox Design.

Sometimes simplicity is everything. Simplicity in design, simplicity in build, simplicity in function. Inspired by the clean angular shapes of the Bauhaus movement, Paulo is a contemporary lounge seating collection designed to bring cohesion and comfort to modern interiors.

The range includes high and low-back lounge chairs, a three-seater sofa and complementary tables, forming a coordinated suite of sophisticated yet minimalist furniture. Blending rigid steel frames with soft upholstered seating, Paulo delivers a distinctive balance of structure and comfort.
