Xpresso

The Xpresso range is a collection of practical and versatile work-café chairs. Available in a wide selection of modern colours, the Xpresso chair is a versatile lightweight and durable, high-density stacking chair. Useful across a wide range of educational, café and workplace settings, Xpresso can link together and is stackable. Both low and high chairs are available with partial or full upholstery options.

connection

Xpresso Original

A practical work-café chair in colours to suit any space.

Product Information

- Available with polypropylene seat and back; polypropylene back and upholstered seat or fully upholstered.
- Linking feet available.
- Optional detachable left or right-handed writing tablet.
- The trolley enables chairs stacking to 45 high or 30 high if upholstered.
- Available in a wide range of fabrics.
- Certification: BS EN 15373: 2007
- Quick ship – Xpresso Original – Black back & chrome base.
- Due to the recycled material, colour variations from the standard 517 shade (recycled grey) may occur, which should be considered, especially when reordering chairs.
