HÅG SoFi Collection

As humans, we are meant to move. The HÅG chairs are designed to help you stay healthier, more active and alert by enabling effortless movement of your whole body while you sit and work. The result is more freedom, greater comfort, better productivity and well-being for all.

- Brings together and perfects all the best features of the HÅG brand.
- Even though the chairs offers the most advanced ergonomic solutions, they are still some of the most user-friendly chairs around.
- HÅG inBalance® technology ensures more subconscious movement for more energy and better flow throughout your workday.
- Soft, embracing curves and innovative HÅG SlideBack™ armrests allows you to adjust your sitting posture for excellent comfort.
- Superior user-friendliness with minimal need for adjustment for the individual user.
- This makes a HÅG SoFi a very good chair for multi-user office environments as well as at personal desks.
- Designed to be customized with a wide range of materials and colours.
- Also available as a matching, dynamic meeting room chair.
- HÅG inBalance™, adjustable seat height, seat depth and lumbar support are standard, in addition to adjustable tilt resistance, lockable tilt and foot support.
- Adjustable armrests (height and width) with or without the unique HÅG SlideBack™ function and headrest are optional extras.

QUALITY

10-year guarantee:

Flokk provides a ten-year guarantee against production defects on all HÅG office chairs that are in normal use for up to 9 hours per day.

Certifications:

Tested in accordance to EN 1335 Class A. ANSI BIFMA X5.1, GS mark, NPR 1813 and Swedish Möbelfakta.
