CIRCULUS
SOFA

Circulus — create your space.

It's a sculptural statement. It's modular freedom that redefines sustainable public seating through artistic expression. Intelligent linear configurations offering unlimited possibilities through modular engineering. Bold sculptural form creates visual tension and structural clarity. Built for circularity with some part containing 98% recycled aluminum and innovative upholstery replacement.

Designed by Mario Ferrarini.

ABOUT CIRCULUS COLLECTION

- **Minimalist appeal:** the sofa's modern and minimal design makes it suitable for various settings, including offices, hotel lobbies, airport lounges, and university campuses.
- **Flexible configurations:** circulus offers virtually unlimited possibilities for configuring and customising a sofa to suit any environment - including one-, two-, and three-seat combinations; high and low backrests; and arrangements in rows or with facing seats.
- **Extensive customisation:** available in 67 frame colours and a wide range of fabrics and upholstery options, enabling extensive personalisation.
- **Easy maintenance:** features a unique upholstery design that allows on-site replacement without the need for glue, staples, or special tools - enhancing both longevity and sustainability.

QUALITY

5-year guarantee:

The warranty for material and construction faults is five (5) years from the delivery date. Wear, tear and damage on lacquered parts, glides and felt glides, and Velcro for Soundwaves that have been moved, are not covered by this warranty. Important: To ensure and protect the original functionality and design of OFFECCT products, the use of non-original spare parts for repair or maintenance will void the general OFFECCT warranty.

Environmental considerations on our products and the manufacturing of our products are at the heart of our business. Flokk's Environmental Managementsystem is thus ISO 14001:2015 certified. Environmental labels; Swedish Möbelfakta, EPD and GREENGUARD Gold.

- **Sustainability & circular design:** constructed with a durable steel frame and recycled aluminium components (98% recycled content in moulded parts and 20% in sheet components), embodying principles of circular design.
- **Red dot award:** product design 2025 in the office design and equipment category.
- **Sustainable design recognition:** also honoured in the sustainable design category of the red dot award: product design 2025.
- **Designer's vision:** mario Ferrarini describes Circulus as "radical and honest - immediately recognisable with its strong and unique identity, yet honest with clearly visible elements in layers."
