

GREEN DIVIDER
Room Divider
By Louise Hederström

OFFECCT

PRODUCT INFORMATION

"I like working graphically and to create expressions in a room. I am very satisfied with the design of the product which allows bigger plants to climb, but also works well without any greenery at all. The divider itself creates a connection to plants with their form", says Louise Hederström.

TECHNICAL INFORMATION

Available for the United States market.

Room divider in white lacquered metal with castors and plant pot in grey plastic. Works with or without plants.
