## Our tables for your every need

Whether a space is for working, creating, lounging or dining our range of tables covers your every need. With functionality in mind we aim to create furniture with a playful design that make spaces come to life. Our tables are characterised by their sophisticated design, smart solutions and durable build. Furthermore, all RBM tables are sustainably manufactured with minimal environmental impact.

## About us

RBM is a furniture brand of Scandinavian Business Seating and has a history rooted in the Danish design tradition. For us it is important to exceed our customer's expectations when it comes to quality, form and functionality. That is why RBM furniture meets the highest quality certification and subsequently will last for many years.

## Creative Spaces

Humans are creative beings. We thrive when we get to express ourselves creatively whether we're doing it alone or in a group. An environment that lets our spirits be free and is flexible to our needs is the perfect stage for endless creative possibilities.
