# Axia 2.5 Netweave

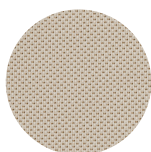

RH Axia 2.5 är utrustad med en nätvävd rygg med bäckenstöd. Netweave tyget finns tillgängligt i sex olika färger inspirerade av djupa skogar, vida fält, blommor, sten, betong och tegel. Genom att använda sig av färger som finns i naturen skapar man ett modernt och lyxigt designuttryck i kombination med alternativ från vår Standard, Extended eller curated kollektion av tyger.
