DESIGNED FOR HUMAN PERFORMANCE

# HIGH PERFORMANCE

The 24/7 Standard Fabric & Colour Collection is our collection of fabrics, leathers and other materials.

The collection has been designed to bring out the best visual and functional qualities of these materials. All fabrics and leathers in our 24/7 Standard collection are of excellent quality. We offer short delivery times, a wide range and all our materials comply with strict environmental requirements. These fabrics are tested and approved according to our quality standards.

Maintenance: To maintain fabrics and leather, please vacuum with a furniture brush or use a clean cloth or sponge slightly dampened with clean lukewarm water.

**NOTE!** Colours on screen or in print might differ from reality. Other colours than listed here are in our Extended colour collection and might fall into a different price group and with a longer delivery time. Please contact our Customer Service for more information.
