

RH 24/7

DESIGNED FOR HUMAN PERFORMANCE

UNCONDITIONAL SUPPORT 24/7

Some jobs are more demanding than others. For 24/7 operators, full attention is constantly required during long and intense shifts. These jobs also place high demands on the seating. Simply put, 24/7 chairs need to withstand constant use. Hour after hour, day after day.

The RH 24/7 series consist of three chairs with unique individual features. All chairs have been developed with ergonomics expertise and complies with international standards for 24/7 work. Robust construction, high-end ergonomics and high adjustability are features that are included in all our chairs. It's an extraordinary series, designed for users that need to always rely on unconditional support.

DESIGNED FOR HUMAN
PERFORMANCE

NON-STOP ATTENTION

Our 24/7 chairs provide all the comfort and support needed to focus your attention on work. Robust construction, easy-to-reach controls and extra-thick cushioning for comfort guarantees an intuitive and effortless user experience.

DESIGNED FOR HUMAN PERFORMANCE

HUMAN PERFORMANCE

Our 24/7 chairs are designed to promote good posture, blood circulation and oxygen flow, which are essential factors for workplace health in demanding environments.

LONG LIFESPAN

Our 24/7 chairs are tested and approved according to required standards. They are designed to withstand long-term intense use, also from tall and heavy users. All chairs come with warranty and several refurbishing options that allow for extended lifetime.

We offer you a selected collection of 24/7 materials and leather for upholstery. All these materials are easy to clean, dirt-repellent and hard-wearing.

DESIGNED FOR HUMAN PERFORMANCE

The RH 24/7 series consist of three chairs with unique individual features and options to choose from.
