The health-care sector has high demands of performance and the work areas must be well suited for the tasks. The different environments within healthcare require different seating and RH Support solves this with its unique range of adaptations. The chair is easy to clean or sanitize and it's perfect for areas with multiusers.

We offer a wide range of fabrics for environments with special requirements

We build chairs to withstand everyday use and to last for a long time. Before they leave our factory, they undergo rigorous quality control. This enables us to provide a full ten-year guarantee, so that you can feel completely secure with your purchase.

LONG  
LASTING  
& SUSTAINABLE

RH Support has been tested and certified in accordance with the GREENGUARD certification programme. This certification programme guarantees that all approved products intended for use in offices and other indoor environments meet strict chemical emissions limits, helping create healthy spaces.
