

RH SUPPORT

A series of work chairs designed for people who work in non-standard ways. Stay supported working at different heights or even “back to front”. RH Support is available in various models so that you can customise your chair for your own needs. RH Support is also available as an ESD chair.

ERGONOMICS

Providing complete support in any working position, enabling you to always sit correctly and breathe properly.

- Seamless and separate adjustable seat and back angle.
- A user-friendly multiuser chair.
- Can be tailor-made to almost all tasks and environments. Choose between five different seats and two different back designs, five gas stems and foot-ring depending on needs and preferences.
- Especially developed for people who need the flexibility of easily switching between sitting and standing.

ENVIRONMENT

- Supports companies' environmental profile and credibility (CSR) - Cradle to cradle proof
- Easy to disassemble and no harmful chemicals
- GREEN GUARD GOLD

QUALITY

- 10 year guarantee

Flokk is certified in accordance to:
